About me

I am a motivated and ambitious young developer, ready to learn the development field. My experience in this position has strengthened my skills in designing, implementing, testing and updating software. I am confident that if given the opportunity, I can be a useful talent for your company.

Education

2020 Sep — present **Application Development and Systems Administration**
SPŠE Plzeň

Work

2022 Feb — 2022 May **PHP developer**
AdminIT s.r.o.

2022 Jul — present **ExtJS and C# programmer**
TD-IS s.r.o.

Languages

English (B2) • **German (A2)**

Programming

Java, C#, Kotlin, Dart

HTML, CSS, SCSS

JavaScript, ExtJS

PHP, Nette

JSON, VIM

SQL, MQL

Goals

My main goal is to apply my technical expertise throughout the software lifecycle and ensure the production and delivery of products and services that meet client specifications. Together with a competent team of software developers and with strong personal knowledge, skills and experience in software engineering, I am confident that this goal can be achieved.
